

## Cat scratching post 120 cm

Your ever-active cat needs a place to let it be itself. And our 120cm Cat Scratch Post is just the perfect thing to cater to your feline friend's natural instincts.

The 120cm tree features a cubby hole, ladder and platforms of various heights to allow your pet to jump, hop, skip, climb, scratch, rest and nap to its heart's content.

And as for its claws maintenance, the fully wrapped sisal 7cm thick covered poles are ideal for your pet to practice her daily regime of keeping its claws in good shape.

Besides, it also helps to keep your pet off your expensive furniture too. Made from E1 standard board and natural sisal, the entire unit is both pet and eco-friendly with durable and longlasting qualities.

Best of all, the tree is upholstered with a plush velvety surface for extra comfort and style.

### **Package Content**

1 x Cat Tree  
1 x Assembly Kit  
1 x Assembly Manual

Instructions:

1. Remove the base and post from packaging.
2. Identify the spot on the base to insert the bolt and washer by running your finger down the surface of the base.
3. Once you have found the indent, insert bolt through the base and fabric. (We have created a very small fabric hole to prevent fabric fraying, if the hole isn't big enough-carefully cut away portions with a (scissors.)
4. Attach post to the base by inserting the bolt and washer provided and screw the post down onto the base.

5. Tighten securely with Allen wrench provided.
